¹EPC partners make a short overview of the institution with special focus on teaching & learning practices, current issues and teaching staff development centres.

EU partners make a short overview of the institution with special focus on the exiting innovative teaching & learning practices, and the trainings it can offer to EPC partners' teaching staff within the project activities.

²Speakers detail the WP activities, timeline, deliverables, required human resources/work groups, etc. as well as reflect on their own vision of the WP implementation, based on the original proposal. Amendments and additions, that will enhance successful implementation of the WP are welcomed. A special attention will be paid to the WP.1 and WP.3, which are implemented during the 1st project year.
